- Click on Reference Number to view details and history of the request.
- Click on the PDF icon to view endorsement documents.
- PDF link will be enabled only when the request status is completed.
- View the status of each request for necessary action.

# MEMBER ADDITION-BATCH

The screenshot shows a web form titled "Batch Addition" with the following fields and options:

- Policy Number \***: A dropdown menu.
- Upload File \***: A file upload field with a "Select files..." button. A link "Download Sample Template" is provided. A "Validate" button is located to the right. A note below the field states "(only .xls or .xlsx formats are allowed)".
- Upload Photo(s) \***: A file upload field with a "Select files..." button. A note below the field states "(only .zip, .rar, .jpeg, .jpg formats are allowed)".
- Supporting Document(s) \***: A file upload field with a "Select files..." button. A note below the field states "(only .gif, .jpeg, .jpg, .png, .pdf, .zip, .rar formats are allowed)". A sub-note reads "Passport Copy/Visa/Continuity Certificate (if any) required."

**Step 1:** Select your policy number for the dropdown list.

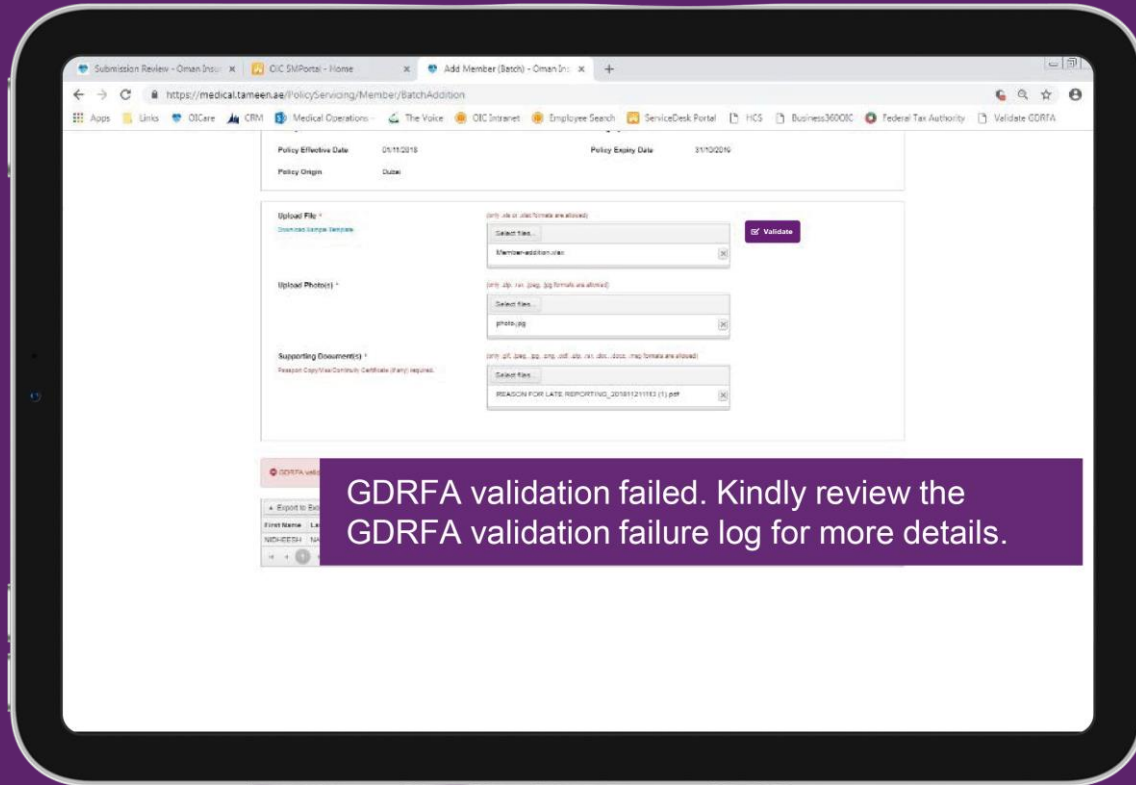

**Step 2:** Upload the census file with all required data. Click on validate button to submit the sheet.

**Step 3:** Upload photo file in ZIP format for all members as per photo file name in census list.

**Step 4:** Upload any other supporting documents, as required. Submit the request once all documents are uploaded.

# MEMBER ADDITION - GDRFA VALIDATION

- All Dubai visa holders data is validated by The General Directorate of Residency and foreigners Affairs (GDRFA).
- An error message will appear in case validation fails for any member.
- Export the error log. This will come in the same census format.
- Make the required corrections and upload the file again for validation.
- Once request is submitted, user will be directed to an overview page which gives the reference number for the request, status of request, member list.
